## NACE INTERNATIONAL

**NACE equips society to protect people, assets and the environment from the adverse effects of corrosion”**

**NACE International**, The Worldwide Corrosion Authority, was established in 1943 by eleven corrosion engineers from the pipeline industry as the **National Association of Corrosion Engineers (NACE)** today serves over 36000 members in around 130 countries and has acquired international repute and credibility as a premier authority for corrosion control solutions. The organization offers technical training and certification programs, organizes conferences while also disseminating industry standards, reports, publications, technical journals and providing avenues for networking and collaboration. NACE International is headquartered in Houston, Texas, with offices in San Diego, California; Kuala Lumpur, Malaysia; Shanghai, China, Sao Paulo, Brazil and Al-Khobar, Saudi Arabia. The members of NACE International include engineers, as well as numerous other professionals working in a range of areas related to corrosion control. For more information visit [www.nace.org](http://www.nace.org)

## NACE INTERNATIONAL GATEWAY INDIA SECTION

**NACE International Gateway India Section (NIGIS)** was established in 1992. NIGIS is one of the largest and most active sections of NACE International through its significant efforts for the promotion of corrosion awareness, protection and control of corrosion in India. With over 1000 members, NIGIS has organized over 204 certification courses on CIP Level 1, Level 2, Peer Review, CIP 2 Emphasis, Nuclear Power Plant course, O-CAT, PCS 2, Basic Corrosion, Direct Assessment, Internal Corrosion for Pipeline, Refinery Corrosion and Cathodic Protection 1, 2 & 3 of NACE International. It has also organized more than 120 educational corrosion awareness programs and hosted 25 annual corrosion conferences. To commemorate Corrosion Awareness Day, NIGIS awards individuals and institutions for their contributions to corrosion awareness and developments in the field of corrosion science and technology. The Gateway India Section sponsors two student chapters, one each in Mumbai and Chennai. NIGIS Student chapters had organized “CORSYM” international corrosion conference for students. NIGIS is committed to enhance the quality and range of its services and activities in the field of corrosion awareness and dissemination of knowledge on corrosion, its protection and control in India and worldwide. For more information visit [www.naceindia.org](http://www.naceindia.org)

## CORCON

The world is rapidly moving towards developing sustainable infrastructure with the focus on corrosion-free materials for effective optimizing corrosion controls and reduction in lifecycle costs. Corrosion-control and mitigation at the initial design and construction stage of assets is more rewarding in the long run in terms of increased safety, performance, asset life, environment protection and operational cost-effectiveness. Overall the global cost of corrosion is estimated to be in trillions. In India corrosion is believed to impact approx. 4 per cent of the country's GDP and the ever-growing environmental threat calls for urgent and appropriate measures.

**CORCON**, the annual conference and expo on corrosion science and engineering held in India, is the largest event of its kind in Asia, attracting participation from academic and research institutions, public and private sector organizations including defense establishments and professionals. This event offers an excellent platform for exchange of information on matters concerning corrosion, learning about existing and upcoming products and technologies and networking. As the world faces more and more challenges with ageing infrastructure, it is imperative for advocates of corrosion mitigation to unite and address the problem. Each year over 900 industry leaders from around the world come together at CORCON, in an effort to tackle corrosion issues, and inform participants of the latest solutions and methods. For more information visit [www.corcon.org](http://www.corcon.org)

NIGIS invite you to submit abstracts for presentations and share your expertise to advance your career and the industry by sharing your wealth of corrosion mitigation knowledge. This is your opportunity to be recognized for your knowledge by industry leaders from around the world. You are encouraged to submit your paper on the following topics:

### SYMPOSIUM TOPICS

- Biomaterials Corrosion
- Cathodic and Anodic Protection
- Coatings, Linings and Thermal Insulation
- Corrosion Control in Water Treatment Utilities
- Corrosion in Automobiles and transportation industry
- Corrosion in Chemical and Fertilizer Industries
- Corrosion in Defence Equipment & Facilities
- Corrosion in Oil and Gas
- Corrosion in Petrochemical and Refineries Industries
- Corrosion in RCC Structures
- Corrosion Monitoring and Testing
- Direct Assessment Methodology Application
- Internal Corrosion in Pipelines
- Jung Se Jung
- Marine Corrosion and Offshore
- Materials and Composites
- Microbial Corrosion and Inhibitors
- Power Plants and Utilities
- Young Student & Scientist Forum

**60 + Hours and over 250 papers on the latest in corrosion mitigation**

#### AREAS REPRESENTED

- Oil, Gas & Petrochemicals
- Maritime
- Power Generation & Utilities
- Highways & Bridges
- Chemical Process Industries
- Pipelines

#### CORROSION MITIGATION TECHNOLOGY REPRESENTED

- Coatings
- Cathodic Protection
- Materials & Composites
- Inhibitors
- Inspection & Testing Equipment
- Material Selection & Design

#### BENEFITS

- Operators
- Service providers
- Consultants
- Engineers and Scientists
- Maintenance Managers
- QA/QC personnel

Kindly upload the abstract through the conference website [www.corcon.org](http://www.corcon.org). The presenting author must register as a delegate for conference for inclusion of his / her papers in the technical programme. For any technical paper related queries, please email [rishikesh@naceindia.org](mailto:rishikesh@naceindia.org)

### IMPORTANT DATES

Paper and poster proposals will be assessed by members of the Conference Program Committee for compliance with the criteria for acceptance. All submissions will be reviewed and you will be notified if your abstract is approved.

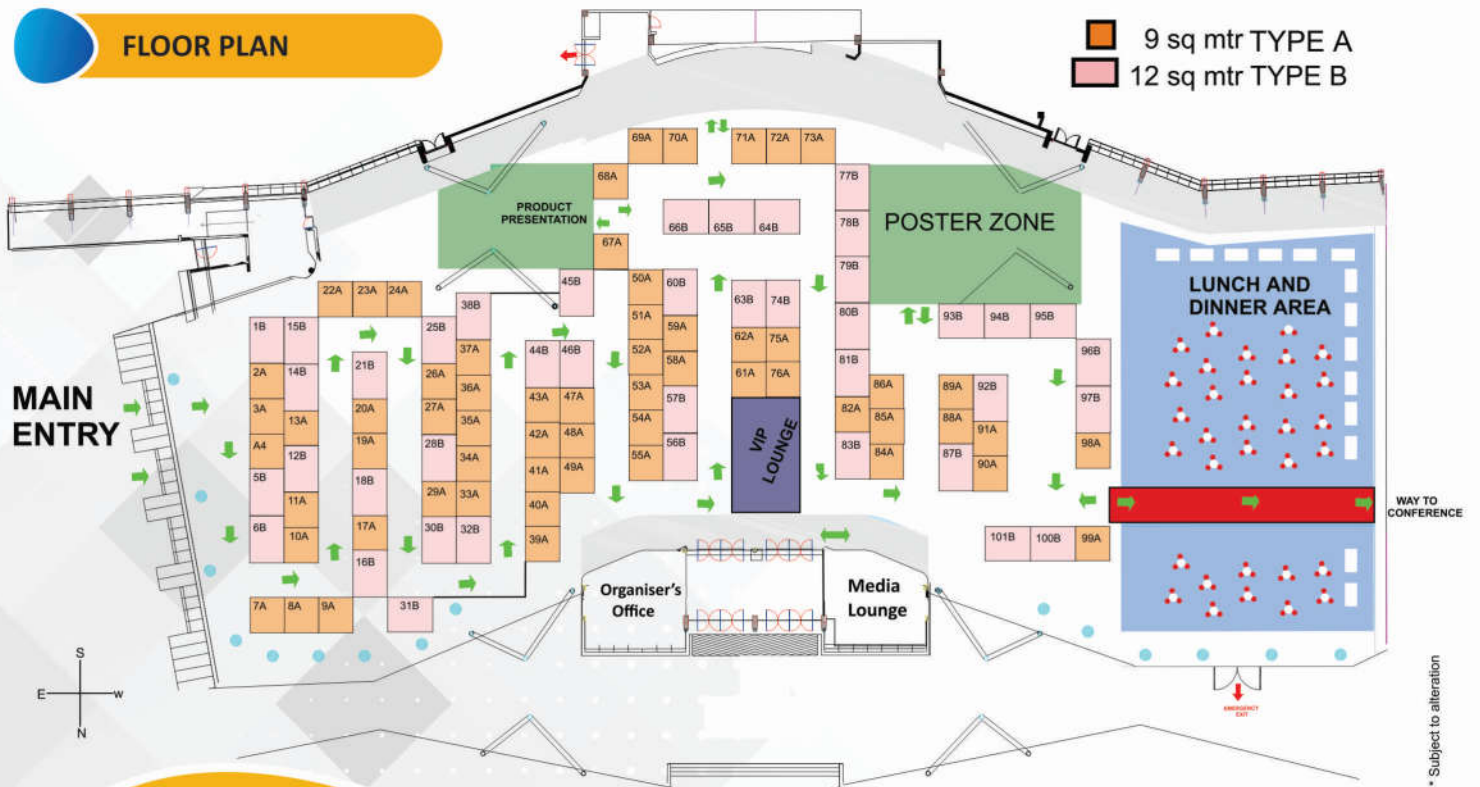

Abstracts due	31 May 2019
Acceptance of Abstract	15 June 2019
Full Text Paper due	15 July 2019
Acceptance of Full Text Paper	30 July 2019
Presentation upload due	15 August 2019
Registration deadline for Authors	15 August 2019
Acceptance notification	30 August 2019

#### This event will also feature Technical Interactive Forums (TIF) on the following topics:

- Integrity Management for Coating and CP system, Interference and mitigation
- Regulations and standards in corrosion
- Corrosion Monitoring and Testing
- Water Treatment
- Delivering Performance through Optimum Coating Specifications
- Corrosion Control in Concrete Structures
- Corrosion Control in City Gas Distribution

## FLOOR PLAN

## EXHIBITION

India continues to be the world's fastest growing major economy, with 7.3 per cent growth rate in 2018-19 and 7.6 per cent in 2019-20 as quoted by the Asian Development Bank (ADB). ADB also said the growth in India will be driven by increased public spending, higher capacity utilisation rate and uptick in private investment.

CORCON 2019 Conference & Expo is an ideal opportunity for the exhibitors to display their equipment's, technologies and services in the Asia's largest event for the prevention and mitigation of corrosion.

## WHY EXHIBIT AT CORCON 2019

- CORCON attracts over 900 industry leaders and decision makers from various industry in corrosion mitigation from around the world
- CORCON facilitates valuable opportunities to discover the latest resources for its attendees on corrosion issues and challenges
- Exhibitors at CORCON are able to communicate directly to their key demographic and familiarize them with the newest advancements in corrosion mitigation products and services

## MAJOR FACTORS TO ATTEND THE CONFERENCE

- Talks by eminent speakers from distinguished scientists and top professionals around the world
- Source and purchase the latest product, technology and services (75+ Exhibitors)
- Increase your productivity to see new ideas and innovations (33 Technical Sessions)
- Networking opportunities: meet the people who lead the industry (900+ Delegates)

## NIGIS CORROSION AWARENESS AWARDS

NIGIS Corrosion Awareness Awards are presented to honour and respect individuals / institutions for their contribution to corrosion awareness and developments in the field of corrosion science and technology in India. Over the years, **127** scientists / teachers / engineers/ professional; along with **46** students and **26** public / private sector laboratories has been honoured with NIGIS corrosion awareness awards, presented under various categories.

### INVITATION OF APPLICATIONS FOR NIGIS CORROSION AWARENESS AWARDS

NIGIS invites applications for the following corrosions awareness awards for the year 2018-19 to be presented during CORCON Corrosion Conference & Expo at Mumbai.

#### 1 - EXCELLENCE IN CORROSION SCIENCE & TECHNOLOGY AWARDS

For excellent contributions to the field of corrosion evaluation, corrosion control, corrosion management and corrosion awareness

Award : A plaque, certificate and honorarium of Rs. 31,000/-

Award (1) - A person older than 40 years of age working in research / educational organization

Award (2) - A person older than 40 years of age working in oil / gas related organization

Award (3) - A person older than 40 years of age working in the field of quality management and control

#### 2 - DISTINCTION IN CORROSION SCIENCE & TECHNOLOGY AWARDS

For distinctive contribution to the field of corrosion evaluation, corrosion control, corrosion management and corrosion awareness including some exemplary contributions / achievements

Award : A plaque, certificate and honorarium of Rs. 25,000/-

Award (1) - A person between 25 and 40 years of age working in an industrial organization

Award (2) - A person between 25 and 40 years of age working in a research / educational organization

#### 3 - EXCELLENT LABORATORY AWARD

For excellent contribution to the field of corrosion science & technology by monitoring, testing, evaluation of performance and quality of materials, and research / development works.

Award : A plaque and certificate

#### 4 - STUDENT AWARDS

For thesis on corrosion science & technology for degree during the year commencing 1<sup>st</sup> July 2018 and ending 30<sup>th</sup> June 2019.

Award : A plaque, certificate and honorarium

Award (1) - Ph D Degree, Honorarium Rs. 21,000/-

Award (2) - M Tech / ME / MSc. Degree, Honorarium of Rs. 15,000/-

#### 5 - MERITORIOUS CONTRIBUTION AWARDS

For meritorious contributions to the field of corrosion science and technology and activities of NACE and other similar organizations

Award : A plaque, certificate and honorarium of Rs. 51,000/-

Award (1) - A person working in academic or research and development organization

Award (2) - A person working in an industrial organization

The Application Forms can be obtained from NIGIS Office Email: [rishikesh@naceindia.org](mailto:rishikesh@naceindia.org) or downloaded from [www.naceindia.org](http://www.naceindia.org)

The last date for the receipt for applications at NIGIS office is 15<sup>th</sup> July 2019.
